How We Will Calculate Your Balance: We use a method called "average daily balance (including new purchases)." See **INTEREST CHARGES** below for more details.

INTEREST CHARGES

INTEREST CHARGES for purchases and cash advances are calculated at a monthly periodic rate of 1.6658%, which is equivalent to an **ANNUAL PERCENTAGE RATE ("APR") of 19.99%**.

Variable Rate.

The APR may increase or decrease on the first day of the subsequent monthly Billing Cycle based on changes in the prime rate ("Index"). The APR is calculated by adding the amount of margin stated below to the Index. The Index is the prime rate published in the Money Rates section of *The Wall Street Journal* on the 25th day of each month. If the Index is not published on that day, the Index on the next business day will be used. Any increase in the APR may increase the amount of interest charged to your Account and the total amount you must pay, and may take the form of an increase in the monthly Minimum Payment. If the Index is no longer available, we will choose a new index that is based upon comparable information. The APR for purchases and cash advances will be determined by adding a margin of 16.74% to the Index.

INTEREST CHARGES are imposed on purchases beginning on the date a purchase is posted to your Account. However, **INTEREST CHARGES** will not be imposed on purchases made in any Billing Cycle in which the previous balance shown on your Monthly Billing Statement is zero and you pay your new balance in full by the Payment Due Date shown on your Monthly Billing Statement. **INTEREST CHARGES** are imposed on cash advances beginning on the date a cash advance is obtained and continuing until the balance of your Account is paid in full. There is no time in which you can pay the balance of cash advances in order to completely avoid **INTEREST CHARGES**.

INTEREST CHARGES for a Billing Cycle are calculated separately for purchases and cash advances. There is no minimum **INTEREST CHARGE**. The **INTEREST CHARGE** calculation begins on the date the transaction is posted to your Account.

For purchases, the **INTEREST CHARGE** is computed by multiplying the monthly periodic rate by the average daily balance of purchases. To determine the average daily balance of purchases, we take the beginning outstanding balance of purchases each day, add any new purchases, and subtract any payments and/or credits. This gives us the daily balance of purchases. (Any daily balance that is a credit balance is treated as zero (\$0.00) balance.) Then, we add all the daily balances of purchases for the Billing Cycle together and divide the total by the number of days in the Billing Cycle. This gives us the average daily balance of purchases.

For cash advances, the **INTEREST CHARGE** is computed by multiplying the monthly periodic rate by the average daily balance of cash advances. To get the average daily balance of cash advances, we take the beginning outstanding balance of cash advances each day, add in any new cash advances, and subtract any payments and/or credits that we apply to the cash advance balance. This gives us the daily balance of cash advances. (Any daily balance that is a credit balance is treated as zero (\$0.00) balance.) Then, we add all the daily balances of cash advances for the Billing Cycle together and divide the total by the number of days in the Billing Cycle. This gives us the average daily balance of cash advances.

FEES AND OTHER CHARGES

Your Account is subject to the following Fees and Other Charges, each of which may be charged to your Account:

Cash Advance Fee. In addition to the **INTEREST CHARGE** on cash advances, there is a fee of 5% or \$5.00, whichever is greater, for each cash advance posted to your Account that month ("Cash Advance Fee"). **NO CASH ADVANCES ARE PERMITTED DURING THE FIRST 95 DAYS AN ACCOUNT IS OPEN.** Cash Advance Fees will not be assessed during the first twelve (12) months after your Account is open.

Additional Card Fee. Your Account will be assessed a one-time additional card fee of \$30.00 for each authorized user you add to your Account.

Foreign Currency Transaction Fee. Your Account will be assessed a foreign currency transaction fee equal to 3% of any transaction made in a foreign currency that is converted to U.S. Dollars. Foreign Currency Transaction Fees will not be assessed to foreign transactions made in the first 12 months your Account is open.

Annual Fee. Your Account will be assessed an Annual Fee of \$69.00 ("Annual Fee"). The Annual Fee will be billed to your Account once the account is opened, and on or about your anniversary date each year. Your payment of the Annual Fee does not affect our right to close your Account or our ability to limit transactions on your Account.

Annual Fee Renewal Refund Disclosure. We will refund the Annual Fee charged to your Account if you notify us, within 30 days from the date of the Monthly Billing Statement on which it appears, that you wish to close your Account.

Late Payment Fee. If we do not receive a payment from you in at least the amount of the minimum payment due ("Minimum Payment") by the Payment Due Date shown on your Monthly Billing Statement, you will be charged a Late Payment Fee equal to the lesser of \$29.00 or your Minimum Payment ("Late Payment Fee") in accordance with law. If you fail to make a timely payment in any of the six (6) Billing Cycles after the initial late payment, you will be charged

\$40.00 or the amount of the required Minimum Payment, whichever is less. We may refer to this fee as the "Late Fee" or "Late Charge".

Returned Payment Fee. If you make a payment on your Account and your check or other payment instrument (including an electronic funds transfer or a telephone authorized draft) is not honored for any reason or cannot be processed, we will charge a Returned Payment Fee equal to the lesser of \$29.00 or your Minimum Payment ("Returned Payment Fee"). In the event a payment is returned in any of the six (6) Billing Cycles after the initial returned payment, you will be charged \$40.00 or the amount of the required Minimum Payment, whichever is less. The charge may be imposed even if we elect to re-present the item and it is paid upon our re-presentation. We will not charge both a Late Payment Fee and a Returned Payment Fee based upon a single payment.

Expedited Phone Pay Fee. Each time you contact us to arrange a payment by a draft on your deposit account or by debit card using an expedited service by a customer service representative; an Expedited Phone Pay Fee of \$10.95 will be imposed by a third-party money transfer agent, such as Western Union Speedpay. This fee, along with the payment amount, will appear on your deposit account. For clarity, "expedited" means crediting a payment to your Account the same day, or if the payment is received after the payment cut-off time (5:00 pm EST), the next business day. You can avoid paying an Expedited Phone Pay Fee by (i) mailing your payment to the address listed on your Monthly Billing Statement, (ii) paying online, or (iii) scheduling a future-dated payment via a customer service representative that is not otherwise classified as an expedited payment.

OTHER IMPORTANT DISCLOSURES:

Security Deposit (if applicable). We may require a collateral deposit in the form of a security deposit, up to the full amount of the Credit Limit to be paid in full before the Account is opened to secure your obligations under this Agreement and to offset the risk associated with the Account. You understand and agree that if we require a security deposit, we may use any or all amounts of the deposit to pay amounts you owe under this Agreement if you are in default or you or we close or cancel your Account. Refer to the "Terms and Conditions of Your Deposit Account" and "Truth in Savings Disclosure — Deposit Account" section of the Cardholder Agreement for more information.

Available Credit Limits. Once the entire security deposit, if applicable, is paid in full, your Account will be opened and you will have access to your initial available credit. Funds received in connection with a security deposit may be held up to 10 days before an Account is opened.

Authorization. You certify that all the information given in this application is true and correct and you are giving this information in order to obtain credit and authorize us to obtain information concerning any statements herein. You agree to furnish us with all requested information. You authorize us to charge the Annual Fee, Monthly Maintenance Fee and Additional Card Fee (if applicable) to your Account.

Applicable Law. This Agreement and your Account, and any claim, dispute or controversy (whether in contract, tort, or otherwise) at any time arising from or related to your Account, this Agreement or any transferred balances, are governed by and construed in accordance with applicable federal law and, to the extent not preempted by federal law, by the laws of Utah (without applying its choice-of-law rules) ("Applicable Law"). The formation, legality, enforceability, and interpretation of this Agreement, and any amounts contracted for, charged and received under this Agreement, will be governed by such laws. This Agreement is entered into between you and us in Utah, regardless of the state of your residence or whether or not your Account or Card is used in Utah. Our decisions regarding the extension of credit to you are made in the State of Utah. Federal and Utah law will also apply to any controversy, claim, or dispute arising from or relating in any way to the subject matter of this Agreement and your Account, including, without limitation, statutory, equitable, and tort claims.

Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: The costs associated with credit insurance premiums; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for specified credit transactions or accounts); and any participation fee charged (other than certain participation fees for a credit card account). To be provided with an oral disclosure of this information, please call toll-free 1-866-449-4514.

Availability of Credit and Payment Holds. Generally, payments are credited to your Account on the day they are received. Available credit created as a result of payments posted to your Account may not be available for up to seven (7) days, or longer if circumstances warrant an additional hold, or if we deem ourselves at risk for any reason. If you use a payment service provided by a third party to deliver your payment to us, that third party may charge you a fee for such service; such third party fees will not be billed to your Account. Credit to your Account may be delayed up to five (5) days if payment is (a) not received at the Payment Address or (b) not accompanied by the payment coupon portion of your Monthly Billing Statement. Delayed crediting may result in Late Fee and additional **INTEREST CHARGES** and Fees being applied to your Card.

YOUR BILLING RIGHTS

KEEP THIS NOTICE FOR FUTURE USE

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find A Mistake On Your Monthly Billing Statement.

If you think there is an error on your Monthly Billing Statement, write to us at:

Continental Finance
P.O. Box 3220
Buffalo, NY 14240-3220

In your letter, give us the following information:

- Account information: Your name and Account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of problem: If you think there is an error on your Monthly Billing Statement, describe what you believe is wrong and why you believe it is a mistake.

You must contact us: Within 60 days after the error appeared on your Monthly Billing Statement.

- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days, of receiving your letter, we must either correct the error or explain to you why we believe the Monthly Billing Statement is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your Monthly Billing Statement, and we may continue to charge you **INTEREST CHARGES** on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your Account

balance.

- We can apply any unpaid amount against your Credit Limit.

After we finish our investigation, one of two things will happen:

- **If we made a mistake:** You will not have to pay the amount in question or any **INTEREST CHARGES**, Fees and Other Charges related to that amount.

If we do not believe there was a mistake: You will have to pay the amount in question, along with applicable **INTEREST CHARGES**, Fees and Other Charges. We will send you a Monthly Billing Statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your Monthly Billing Statement is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your Monthly Billing Statement. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your Monthly Billing Statement is correct.

Your Rights if You Are Dissatisfied With Your Credit Card Purchases.

If you are dissatisfied with the goods or services that you have purchased with your Card and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your Card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your Account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* at:

Continental Finance
P.O. Box 3220
Buffalo, NY 14240-3220

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.
